Report of Principal and School Improvement Council

At Petersburg Primary School, our mission is to provide all students with a strong foundation for lifelong learning. The Southern Association of Colleges and Schools accredits Petersburg Primary.

All of our teachers participated in extensive professional development. These topics included: test data analysis, South Carolina Curriculum Standards, early literacy strategies, mathematics, and Creative Curriculum. Teachers and para-professionals work collaboratively in teams-planning and implementing instructional strategies to improve student academic performance. In order to meet the challenges as reflected by the annual school report card, our school will continue to engage in quality classroom instruction with emphasis being placed on the extensive use of standards-based curriculum strategies in literacy and mathematics. Eight of our teachers are National Board Certified. Student recognition included the Governor's Reading Honor Roll and the Governor's citizenship award.

The PTO and the school planned various opportunities for families to visit our school. These special events included Muffins for Mom, Doughnuts for Dad, Book Fairs, Art Shows, Breakfast and Lunch with your Children, Family Literacy Night, and an RTI Parenting Workshop.

Petersburg Primary is supported by our parents, businesses, and community leaders through PTO, School Improvement Council, Volunteer Program, Mentoring Program, Student Recognition Program, Title I Planning Committee, and the Arts in Education Program. At Petersburg Primary School, we set high standards and exemplary academic endeavors for our students as we strive for excellence in education.
